Section 5-Corporate Governance and Management

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

As previously disclosed, effective on March 12, 2012, the Exelon Corporation (Exelon) Board of Directors (Board) had approved the continuation of the base salaries of Christopher M. Crane, Exelon's President and Chief Executive Officer, and Mayo A. Shattuck III, Exelon's Executive Chairman at the current levels in effect with their employers immediately prior to the effective time of the merger of Constellation Energy Group, Inc. into a wholly-owned subsidiary of Exelon, pending further action by the Board on their compensation. On April 2, 2012, the Compensation Committee of the Exelon Board recommended, and the independent directors approved, compensation for 2012 for Messrs. Crane and Shattuck. For Mr. Crane, the Board approved a base salary of \$1,150,000, an annual incentive plan target of 120%, a performance share award program target of 108,000 performance shares, and a grant of options to purchase 285,000 shares of Exelon's common stock. For Mr. Shattuck, the Board approved a base salary of \$1,150,000, an annual incentive plan target of 120%, a performance share award program target of 92,000 performance shares, and a grant of options to purchase 247,000 shares of Exelon's common stock. The base salary changes and the stock options grants are effective as of April 2, 2012, and the incentive plan targets are retroactive to January 1, 2012. Other benefits and the terms of the performance shares and stock options are consistent with previous disclosures.
