February 18, 2026

To the Representatives of the
several Underwriters listed
in Schedule 1 hereto

Ladies and Gentlemen:

Exelon Corporation, a Pennsylvania corporation (the "Company"), proposes to sell to the several Underwriters listed in Schedule 1 hereto (the "Underwriters"), for whom you are acting as representatives (the "Representatives"), \$775,000,000 principal amount of its 4.950% Notes due 2026 (the "Securities"). The Securities are to be issued under a base indenture, to be dated as of June 11, 2015 (the "Base Indenture") between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the "Trustee"), as amended and supplemented by the supplemental indenture, to be dated as of February 1, 2026 (the "Supplemental Indenture" and, together with the Base Indenture, the "Indenture").

Any reference herein to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to Item 12 of Form S-3 which were filed under the Exchange Act on or before the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be; and any reference herein to the terms "amend," "amendment" or "supplement" with respect to the Registration Statement, the Base Prospectus, any Preliminary Prospectus or the Final Prospectus shall be deemed to refer to and include the filing of any document under the Exchange Act after the Effective Date of the Registration Statement or the issue date of the Base Prospectus, any Preliminary Prospectus or the Final Prospectus, as the case may be, deemed to be incorporated therein by reference. Certain terms used herein are defined in Section 23 hereof.

The Company hereby confirms its agreement with the several Underwriters concerning the purchase and sale of the Securities, as follows:

1. Registration Statement. As of the date of this Agreement, the Applicable Time of Sale and the Closing Date (as defined herein), the Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Company meets the requirements for use of Form S-3 under the Act and has prepared and filed with the Commission a shelf registration statement, as defined in Rule 405 on Form S-3 (Registration No. 333-284911), including a related base prospectus, for registration under the Act of the offering and sale of the Securities. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, were declared effective as of April 8, 2025. The Company may have filed one or more amendments thereto, including a Preliminary Prospectus, each of which has previously been furnished to you. The Company will next file with the Commission a final term sheet as contemplated by Section 4(b) hereof and a final prospectus supplement relating to the Securities in accordance with Rules 415 and 424(b). As filed, such final prospectus supplement shall contain all 430B Information, together with all other such required information, and, except to the extent the Representatives shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the Base Prospectus, any Preliminary Prospectus and Schedule 1 hereto) as the Company has advised you, prior to the Execution Time, will be included or made therein. The Registration Statement, at the Execution Time, meets the requirements set forth in Rule 415(a)(1)(x).

(b) The Company has paid the fees required by the Commission relating to the Securities in accordance with Rules 457(o).

(c) On the Effective Date, the Registration Statement did, and when the Final Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined herein), the Final Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act, the Exchange Act, the Trust Indenture Act and the respective rules thereunder; on the Effective Date and at the Execution Time and as of the “new effective date” with respect to the Securities pursuant to, and within the meaning of, Rule 430B(f)(2), the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading; on the Effective Date and on the Closing Date the Indenture did or will comply in all material respects with the applicable requirements of the Trust Indenture Act and the rules thereunder; and, on the date of any filing pursuant to Rule 424(b) and on the Closing Date, the Final Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided, however, that the Company makes no representations or warranties as to (i) that part of the Registration Statement which shall constitute the Statement of Eligibility and Qualification (Form T-1) under the Trust Indenture Act of the Trustee or (ii) the information contained in or omitted from the Registration Statement or the Final Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion in the Registration Statement or the Final Prospectus (or any supplement thereto), it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 6(b) hereof.

(d) The Disclosure Package did not, as of the time and date designated as the “Applicable Time of Sale” include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package based upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives specifically for use therein, it being understood and agreed that the only such information furnished by or on behalf of any Underwriter consists of the information described as such in Section 6(b) hereof.

(e) The Company has not made and will not make (other than the final term sheet prepared and filed pursuant to Section 4(b) hereof) any offer relating to the Securities that would constitute a “free writing prospectus” (as defined in Rule 405 under the Act), without the prior written consent of the Representatives; the Company will comply with the requirements of Rule 433 under the Act with respect to any such free writing prospectus; any such free writing prospectus (including the final term sheet prepared and filed pursuant to Section 4(b) hereof) will not, as of its issue date and through the completion of the public offer and sale of the Securities, include any information that is inconsistent with the information contained in the Registration Statement, the Preliminary Prospectus and the Final Prospectus, and any such free writing prospectus, when taken together with the information contained in the Registration Statement, the Disclosure Package and the Final Prospectus, did not, when issued or filed pursuant to Rule 433 under the Act, include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading. For the purpose of clarity, nothing in this Section 1(e) shall restrict the Company from making any filings required in order to comply with its reporting obligations under the Exchange Act or the rules and regulations of the Commission promulgated thereunder.

(f) At the earliest time after the filing of the Registration Statement that the Company or another offering participant (x) made a bona fide offer of the Securities (within the meaning of Rule 164(h)(2)) and (y) as of the Execution Time (with such date being used as the determination date for purposes of this clause (y)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

2. Purchase of the Securities by the Underwriters.

(a) On the basis of the representations and warranties herein contained, but subject to the terms and conditions set forth herein, the Company agrees to sell to each of the Underwriters, and each Underwriter agrees,

severally and not jointly, to purchase from the Company, at the purchase prices set forth on Schedule 2 hereto, the principal amount of the Securities set forth opposite such Underwriter's name in Schedule 1 hereto. The Underwriters agree to make a public offering of their respective Securities specified in Schedule 1 hereto at the prices to public specified in Schedule 2 hereto. It is understood that after such initial offering, the several Underwriters reserve the right to vary the offering price and further reserve the right to withdraw, cancel or modify any subsequent offering without notice. The Company shall not be obligated to deliver any of the Securities, except upon payment for all of the Securities to be purchased on the Closing Date.

(b) Delivery of the Securities and payment therefor by the Representatives for the accounts of the several Underwriters shall be made at the offices of Ballard Spahr LLP at 10:00 A.M., New York City time, on February 20, 2026, or at such other time or place on the same or such other date, not later than the fifth Business Day thereafter, as the Representatives and the Company may agree upon in writing. Such time and date for delivery of the Securities is herein called the "Closing Date." On the Closing Date, the Company, through the facilities of The Depository Trust Company ("DTC"), shall deliver or cause to be delivered a securities entitlement with respect to the Securities to the Representatives for the accounts of each Underwriter against payment of the purchase price by wire transfer of same day funds to a bank account designated by the Company. Time shall be of the essence, and delivery at the time and place specified pursuant to this Agreement is a further condition of the obligation of each Underwriter hereunder. Upon delivery, the Securities shall be registered in the name of Cede & Co., as nominee for DTC.

The Company and its subsidiaries have instituted and maintained and will continue to maintain policies and procedures reasonably designed to promote and achieve compliance with the Anti-Money Laundering Laws.

(v) *Cybersecurity.* Except as disclosed in the Disclosure Package and the Final Prospectus, there has been no material security breach or incident involving unauthorized access or disclosure of any of the Company’s or its subsidiaries’ information technology and computer systems, networks, hardware, software, data (including the data of their respective customers, employees, suppliers, vendors and any third party data maintained by or on behalf of them), equipment or technology (collectively, “IT Systems and Data”) that could reasonably be expected to give rise to a data breach notification obligation to affected individuals under applicable data breach notification law or that could reasonably be expected to require disclosure or a notification thereof to the Commission or other applicable regulatory authority (a “Security Breach”) and (i) the Company and its subsidiaries have not been notified of, and have no knowledge of any event or condition that would reasonably be expected to result in, any Security Breach to their IT Systems and Data; (ii) the Company and its subsidiaries are presently in compliance with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, internal policies and contractual obligations relating to the privacy and security of IT Systems and Data and to the protection of such IT Systems and Data from unauthorized use, access, misappropriation or modification, except as would not, in the case of this clause (ii), individually or in the aggregate, have a Material Adverse Effect; and (iii) the Company and its subsidiaries have implemented backup and disaster recovery technology reasonably consistent with industry standards and practices.

(w) *OFAC.* Neither the Company, any of its subsidiaries, or any director, officer, or employee thereof, nor to the knowledge of the Company, any agent affiliate, or other person associated with or acting on behalf of the Company or any of its subsidiaries is an individual or entity (a “Person”) that is, or is owned or controlled by a Person that is, currently subject to any sanctions administered or enforced by the U.S. Government, including, without limitation, by the Office of Foreign Assets Control of the U.S. Treasury Department or any sanctions or measures imposed by the United Nations Security Council, the European Union and its member states, His Majesty’s Treasury or other relevant sanctions authority (collectively, “Sanctions”); nor is the Company or any of its subsidiaries located, organized or resident in a country or territory that is the subject or the target of Sanctions, including, without limitation, Russia, Cuba, Iran, North Korea, Crimea, the so-called Donetsk People’s Republic, the so-called Luhansk People’s Republic, the non-Ukrainian-government controlled areas of the Zaporizhzhia and Kherson regions of Ukraine, or any other covered region of Ukraine identified pursuant to Executive Order 14065; and the Company will not directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing or facilitating the activities of or business with any person currently subject to any Sanctions, or in any country or territory, that at the time of such financing, is the subject or the target of Sanctions or in any other manner that will result in a violation by any person (including any person participating whether as Underwriter, advisor, investor or otherwise) of Sanctions. The Company and its subsidiaries have instituted and maintained and will continue to maintain policies and procedures reasonably designed to promote and achieve compliance with Sanctions. The Company and each of its subsidiaries (a) have not, since the more recent of April 24, 2019 or 10 years prior to the date of the Agreement, engaged in, (b) are not now engaged in, and (c) will not engage in, any dealings or transactions with any Person, or in any country or territory, that at the time of the dealing or transaction is or was, or whose government is or was, the subject of Sanctions.

Since April 24, 2019, to the knowledge of the Company, neither the Company nor any of its subsidiaries has engaged in or is now engaged in any dealings or transactions with any Person, or in any country or territory, that at

the time of this dealing or transaction is or was, or whose government is or was, the subject of Sanctions, to the extent such dealings or transactions would be prohibited by applicable Sanctions.

The Company will not directly or indirectly use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, (i) to fund or finance the activities of or business with any person, or in any country or territory, that is the subject or the target of Sanctions; (ii) to fund or facilitate any money laundering or terrorist financing activities; or (iii) in any other manner that would cause or result in a violation of any Anti-Corruption Laws, Anti-Money Laundering Laws, or Sanctions by any Person (including any Party to this Agreement).

Any certificate signed by any officer of the Company and delivered to the Representatives or counsel for the Underwriters in connection with the offering of the Securities shall be deemed a representation and warranty by the Company, as to matters covered thereby, to each Underwriter.

4. Further Agreements. The Company covenants and agrees with each Underwriter that:

(a) *Registration Statement; Final Prospectus.* Prior to the termination of the offering of the Securities, the Company will not file any amendment of the Registration Statement or supplement (including the Final Prospectus or any Preliminary Prospectus) to the Base Prospectus unless the Company has furnished you a copy for your review prior to filing and will not file any such proposed amendment or supplement to which you reasonably object; provided that nothing in this Section 4(a) shall restrict the Company from making any filings required in order to comply with its reporting obligations under the Exchange Act or the rules and regulations of the Commission promulgated thereunder. The Company will cause the Final Prospectus, properly completed, and any supplement thereto to be filed with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Representatives of such timely filing. The Company will promptly advise the Representatives (1) when the Final Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b), (2) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, (3) of any request by the Commission or its staff for any amendment of the Registration Statement, or any Rule 462(b) Registration Statement, or for any supplement to the Final Prospectus or for any additional information, (4) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose and (5) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its best efforts to prevent the issuance of any such stop order or the suspension of any such qualification and, if issued, to obtain as soon as possible the withdrawal thereof.

(b) *Final Term Sheet.* The Company shall prepare a final term sheet, containing solely a description of the Securities, substantially in the form of Annex I hereto, a copy of which shall be furnished to the Representatives for their review prior to filing. The Company will not file such term sheet without the approval of the Representatives, which approval shall not be unreasonably withheld, conditioned or delayed. Upon receipt of such approval of the Representatives, the Company shall file such term sheet pursuant to Rule 433(d) within the time period prescribed by such rule; and shall file promptly all other material required to be filed by the Company with the Commission pursuant to Rule 433(d).

(c) *No Free Writing Prospectus.* Each Underwriter, severally and not jointly, represents and agrees that, without the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Securities that would constitute a “free writing prospectus” (as defined in Rule 405), other than the final term sheet prepared and filed pursuant to Section 4(b) hereof or any free writing prospectus that is not required to be filed by the Company pursuant to Rule 433 (including a preliminary Bloomberg screen containing substantially the same information, but in any event not more information, than the final term sheet prepared and filed pursuant to Section 4(b)).

(d) *Amendments and Supplements.* If, at any time when a prospectus relating to the Securities is required to be delivered under the Act (including circumstances when such requirement may be satisfied pursuant to Rule 172), any event occurs as a result of which the Final Prospectus as then supplemented would include any

untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend the Registration Statement or supplement the Final Prospectus to comply with the Act or the Exchange Act or the respective rules thereunder, the Company promptly will (1) notify the Representatives of such event, (2) prepare and file with the Commission, subject to the first sentence of paragraph (a) of this Section 4, an amendment or supplement which will correct such statement or omission or effect such compliance and (3) supply any supplemented Final Prospectus to you in such quantities as you may reasonably request. If, prior to the Closing Date, there occurs an event or development as a result of which the Disclosure Package would include an untrue statement of a material fact or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when the Disclosure Package is delivered to a purchaser, not misleading, the Company promptly will notify the Representatives so that any use of the Disclosure Package may cease until it is amended or supplemented, and will promptly prepare an amendment or supplement that will correct such statement or omission.

(e) *Earnings Releases.* As soon as practicable, the Company will make generally available to its security holders and to the Representatives an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act.

(f) *Copies; Printing.* The Company will furnish to the Representatives and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including circumstances when such requirement may be satisfied pursuant to Rule 172), as many copies of each Preliminary Prospectus, the Final Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representatives may reasonably request. The Company will pay the expenses of printing or other production of all documents relating to the offering.

(g) *Blue Sky; FINRA.* The Company will arrange, if necessary, for the qualification of the Securities for sale under the laws of such jurisdictions as the Representatives may designate, will maintain such qualifications in effect so long as required for the distribution of the Securities and will pay any fee of FINRA in connection with its review of the offering; provided that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject.

(h) *Company Lock-Up Period.* The Company will not, without the prior written consent of the Representatives, offer, sell, contract to sell, pledge, or otherwise dispose of, or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company, directly or indirectly, or announce the offering of, any long-term debt securities issued or guaranteed by the Company or preferred stock (other than the Securities), prior to the Closing Date.

(i) *No Market Manipulation.* The Company will not take, directly or indirectly, any action designed to or that would constitute or that would reasonably be expected to cause or result in, under the Exchange Act or otherwise, stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

5. Conditions of the Obligations of the Underwriters. The obligation of each Underwriter to purchase the Securities on the Closing Date shall be subject to the accuracy of the representations and warranties on the part of the Company contained herein as of the Applicable Time of Sale, the Execution Time and the Closing Date, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, and to the performance by the Company of its covenants and other obligations hereunder and to the following additional conditions:

(a) *Filings; No Stop Order.* The Final Prospectus, and any supplement thereto, shall have been filed in the manner and within the time period required by Rule 424(b); the final term sheet contemplated by Section 4(b) hereto, and any other material required to be filed by the Company pursuant to Rule 433(d) under the Act, shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and

no stop order suspending the effectiveness of the Registration Statement or any notice by the Commission objecting to its use shall have been issued and no proceedings for that purpose shall have been instituted or threatened.

(b) *Company Counsel Opinion.* Ballard Spahr LLP, counsel for the Company, shall have furnished to the Representatives its opinion, including a negative assurance statement, dated the Closing Date, in substantially the form set forth in Schedule 3.

(c) *Underwriter Counsel Opinion.* The Representatives shall have received from Winston & Strawn LLP, counsel for the Underwriters, such opinion or opinions, including a negative assurance statement, dated the Closing Date and addressed to the Representatives, with respect to the issuance and sale of the Securities, the Registration Statement, the Final Prospectus (together with any supplement thereto) and other related matters as the Representatives may reasonably require, and the Company shall have furnished to such counsel such documents as they request for the purpose of enabling them to pass upon such matters. In rendering such opinion, Winston & Strawn LLP may rely, as to matters governed by the laws of the Commonwealth of Pennsylvania, upon the opinion of counsel for the Company referred to in Section 5(b).

(d) *Officers' Certificate.* The Company shall have furnished to the Representatives a certificate of the Company, signed by two officers, who shall be any of the chief executive officer, the principal financial officer, the principal accounting officer, the chief strategy officer, the treasurer or an assistant treasurer of the Company, dated the Closing Date, to the effect that the signers of such certificate have carefully examined the Registration Statement, the Disclosure Package, the Final Prospectus and any amendment or supplement thereto and that:

(i) the representations and warranties of the Company in this Agreement are true and correct on and as of the Closing Date, with the same effect as if made on the Closing Date and the Company has complied in all material respects with all the agreements and satisfied all the conditions on its part to be performed or satisfied at or prior to the Closing Date;

(ii) no stop order suspending the effectiveness of the Registration Statement or any notice by the Commission objecting to its use has been issued and no proceedings for that purpose have been instituted or, to the Company's knowledge, threatened; and

(iii) since the date of the most recent financial statements included or incorporated by reference in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto), there has been no material adverse change in the financial condition, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto).

(e) *Comfort Letters.* At the Execution Time and at the Closing Date, the Company shall have requested and caused PricewaterhouseCoopers LLP to furnish to the Representatives letters, dated respectively as of the Execution Time and as of the Closing Date, in form and substance satisfactory to the Representatives.

(f) *No Changes.* Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto), there shall not have been (i) any change or decrease specified in the letter or letters referred to in paragraph (f) of this Section 5 or (ii) any change, or any development involving a prospective change, in or affecting the financial condition, business or properties of the Company and its subsidiaries, taken as a whole, whether or not arising from transactions in the ordinary course of business, except as set forth in or contemplated in the Disclosure Package or the Final Prospectus (exclusive of any amendment or supplement thereto) the effect of which, in any case referred to in clause (i) or (ii) above, is, in the sole judgment of the Representatives, so material and adverse as to make it impractical or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Registration Statement (exclusive of any amendment thereof), the Disclosure Package and the Final Prospectus (exclusive of any amendment or supplement thereto).

(g) *No Ratings Downgrade.* During the period from the Execution Time to and including the Closing Date, (i) there shall not have occurred a downgrading in the rating assigned to the Securities or any of the Company's debt securities or commercial paper by any "nationally recognized statistical rating agency," as that term is defined by the Commission in Section 3(a)(62) of the Exchange Act, and (ii) no such securities rating agency shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of the Securities or any of the Company's debt securities.

(h) *Other Deliveries.* Prior to the Closing Date, the Company shall have furnished to the Representatives such further information, certificates and documents as the Representatives may reasonably request.

If any of the conditions specified in this Section 5 shall not have been fulfilled in all material respects when and as provided in this Agreement, or if any of the opinions and certificates mentioned above or elsewhere in this Agreement shall not be in all material respects reasonably satisfactory in form and substance to the Representatives and counsel for the Underwriters, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by the Representatives. Notice of such cancellation shall be given to the Company in writing or by telephone or facsimile confirmed in writing.

6. Indemnification and Contribution.

(a) *Indemnification of the Underwriters.* The Company agrees to indemnify and hold harmless each Underwriter, each of their respective affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, from and against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) (i) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the registration statement for the registration of the Securities as originally filed or in any amendment thereof, or arise out of or are based upon an omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact, in light of the circumstances in which it was made, or an omission or alleged omission to state a material fact required to be stated or necessary to make the statements therein, in light of the circumstances in which they were made, not misleading, in any Preliminary Prospectus, the Final Prospectus, or in any amendment or supplement thereto, or in any Issuer Free Writing Prospectus or any "issuer information" filed or required to be filed pursuant to Rule 433(d) or any electronic roadshow or other written communication that constitutes an offer to sell or solicitation of an offer to buy the Shares provided to investors by, or with the approval of, the Company, and agrees to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representatives specifically for inclusion therein.

(b) *Indemnification of the Company.* Each Underwriter, severally and not jointly, agrees to indemnify and hold harmless the Company, each of its directors, each of its officers, and each person who controls the Company within the meaning of Section 15 of the Act or Section 20 of the Exchange Act, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter, as applicable, furnished to the Company by or on behalf of such Underwriter through the Representatives specifically for inclusion in the documents referred to in Section 6(a) above. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Company acknowledges that (i) the statement set forth on the cover page regarding delivery of the Securities and (ii) the fifth, sixth, seventh, eighth, eleventh and twelfth paragraphs under the heading "Underwriting" in any Preliminary Prospectus and the Final Prospectus constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any Preliminary Prospectus, the Final Prospectus or any Issuer Free Writing Prospectus.

(c) *Indemnification Procedures.* Promptly after receipt by an indemnified party under this Section 6 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to

be made against the indemnifying party under this Section 6, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above. The indemnifying party shall be entitled to appoint counsel of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel retained by the indemnified party or parties except as set forth below); provided, however, that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel (including local counsel) if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest, (ii) the actual or potential defendants in, or targets of, any such action include both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded that there may be legal defenses available to it and/or other indemnified parties which are different from or additional to those available to the indemnifying party, (iii) the indemnifying party shall not have employed counsel satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. Notwithstanding the foregoing, if any indemnified party is entitled to retain separate legal counsel (including local counsel) the indemnifying party shall not be required to bear the fees, costs and expenses of more than one separate counsel (in addition to the fees and expenses of any local counsel) for all indemnified parties with respect to such lawsuit, claim or proceeding; provided that such legal counsel shall be reasonably satisfactory to each indemnified person. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include a statement as to, or admission of, fault, culpability or failure to act on behalf of any indemnified party. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, which consent will not be unreasonably withheld.

(d) *Contribution.* In the event that the indemnity provided in paragraph (a) or (b) of this Section 6 is for any reason held to be unenforceable by an indemnified party or is insufficient to hold harmless a party indemnified under paragraph (a) or (b) of this Section 6, although applicable in accordance with its terms (including the requirements of Section 6(c) above), the Company and each Underwriter severally agrees to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which the Company and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters on the other from the offering of the Securities; provided, however, that in no case shall any Underwriter (except as may be provided in any agreement among underwriters relating to the offering of the Securities) be responsible for any amount in excess of the underwriting discount or commission applicable to the Securities purchased by such Underwriter hereunder; provided, further, that each Underwriter's obligation to contribute to Losses hereunder shall be several and not joint. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Company and the Underwriters, severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters on the other in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by (i) the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it and (ii) the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions, in each case as set forth on the cover page of the Final Prospectus. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and

equitable if contribution were determined by pro rata allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 6, each person who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

7. [Reserved].

8. Termination. This Agreement may be terminated in the absolute discretion of the Representatives by notice to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (A) at any time prior to such time (i) trading in the common stock of the Company shall have been suspended by the Commission, the New York Stock Exchange (the "NYSE") or the Nasdaq Global Select Market ("Nasdaq") or trading in securities generally on the NYSE or Nasdaq shall have been suspended or limited or minimum prices shall have been established on such exchanges, (ii) a banking moratorium shall have been declared either by federal or New York State authorities, (iii) a major disruption of settlements of securities or clearance services in the United States shall have occurred, (iv) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war, or other calamity or crisis, (v) downgrading shall have occurred in the rating accorded the Company's debt securities by any "nationally recognized statistical rating organization," as that term is defined by the Commission for purposes of Section 3(a)(62) of the Exchange Act or (vi) such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities and (B) the effect of the event as set forth in the foregoing clauses (iii) and (iv), as the case may be, on the financial markets is such as to make it, in the sole judgment of the Representatives, impractical or inadvisable to proceed with the offering or delivery of the Securities as contemplated by the Disclosure Package and the Final Prospectus (exclusive of any supplement thereto).

9. Defaulting Underwriter.

(a) If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters shall be obligated severally to take up and pay for (in the respective proportions which the principal amount of the Securities set forth opposite their names in Schedule 1 hereto bears to the aggregate principal amount of the Securities set forth opposite the names of all the remaining Underwriters) the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase; provided, however, that in the event that the aggregate principal amount of the Securities which the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate principal amount of the Securities set forth in Schedule 1 hereto, the remaining Underwriters shall have the right to purchase all, but shall not be under any obligation to purchase any, of the Securities the defaulting Underwriter failed to purchase.

(b) If the non-defaulting Underwriters are not obligated to and do not purchase all the Securities the defaulting Underwriter failed to purchase, the Company shall be entitled to a period of 36 hours within which to procure other persons reasonably satisfactory to the non-defaulting Underwriters to purchase such Shares and if arrangements for the purchase of such Shares by other persons selected by the Company and reasonably satisfactory to the Representative are not made within 36 hours after such default, this Agreement will terminate without liability to any non-defaulting Underwriter or the Company unless the Company elects to reduce the principal amount of the Securities to be offered by the amount of the Securities that the defaulting Underwriter failed to purchase, in which event the non-defaulting Underwriters will have the right to purchase all, but shall not be under any obligation to purchase any, of such reduced principal amount of the Securities. In the event the non-defaulting Underwriters decline to purchase all of such reduced principal amount of the Securities, this Agreement will terminate without any liability on the part of the non-defaulting Underwriters or the Company.

(c) In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, as the Representatives shall determine in order that the required changes in the Registration Statement and the Final Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company and any non-defaulting Underwriter for damages occasioned by its default hereunder.

10. Payment of Expenses.

(a) Whether or not the transactions contemplated by the Transaction Agreements are consummated or this Agreement is terminated, the Company will pay or cause to be paid all costs and expenses incident to the performance of its obligations under the Transaction Agreements, including without limitation, (i) the costs incident to the authorization, issuance, sale, preparation and delivery of the Securities and any taxes payable in that connection; (ii) the costs incident to the preparation, printing and filing under the Act of the Registration Statement, the Preliminary Prospectus, any Issuer Free Writing Prospectus, the Disclosure Package and the Final Prospectus (including all exhibits, amendments and supplements thereto) and the distribution thereof; (iii) the costs of reproducing and distributing each of the Transaction Agreements and all other agreements or documents printed and delivered in connection with the offering of the Securities; (iv) the fees and expenses incurred in connection with the registration or qualification of the Securities under the state or foreign securities or blue sky laws of such jurisdictions as the Representatives may designate and the preparation, printing and distribution of a Blue Sky Memorandum (including the related reasonable fees and expenses of counsel for the Underwriters); (v) all expenses and application fees incurred in connection with any filing with, and clearance of the offering by, FINRA (including reasonable fees and expenses of counsel to the Underwriters); (vi) all expenses incurred by the Company or the Underwriters in connection with any “road show” presentation to potential investors; (vii) the fees and expenses of any rating agencies rating the Securities; and (x) any fees and expenses of the Trustee. Notwithstanding the foregoing, it is understood and agreed that, except as expressly provided in Sections 6 and 10(b), the Underwriters will pay all of their own costs and expenses, including, without limitation, fees and disbursements of their counsel (other than for blue sky and FINRA matters provided above in this Section 10(a)), and transfer taxes on the resale by them of any of the Securities.

(b) If (i) this Agreement is terminated pursuant to Section 8, (ii) the Company for any reason fails to tender the Securities, if any, for delivery to the Underwriters or (iii) the Underwriters decline to purchase the Securities for any reason permitted under this Agreement, the Company agrees to reimburse the Underwriters for all out-of-pocket costs and expenses (including the fees and expenses of their counsel) reasonably incurred by the Underwriters in connection with the Transaction Agreements and the transactions contemplated thereby, and the Company shall not in any event be liable to any of the Underwriters for any other amount, including, without limitation, damages on account of loss of anticipated profits from the sale of the Securities.

11. Representations and Warranties to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or the Company or any of the officers, directors, employees, agents or controlling persons referred to in Section 6 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 6 and 10 hereof shall survive the termination or cancellation of this Agreement.

12. U.S. Special Resolution Regime. In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

As used in this Section 12:

The Company shall have the right to redeem the Notes, in whole or in part, at its option, as follows: the Notes may be redeemed at any time prior to December 15, 2035 (the “Par Call Date”), upon at least 10 days’ but no more than 60 days’ notice, at a redemption price (expressed as a percentage of the principal amount and rounded to three decimal places) equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed, and

(ii) (a) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (exclusive of interest accrued to the redemption date) to the Par Call Date discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below) plus 15 basis points, less (b) interest accrued to the redemption date;

plus, in each case, accrued and unpaid interest on the principal amount being redeemed to but excluding the date of redemption.

On or after the Par Call Date, the Company shall have the right to redeem the Notes, in whole or in part, at its option, at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest thereon to but excluding the date of redemption.

“Treasury Rate” means, with respect to any redemption date, the yield determined by the Company in accordance with the following two paragraphs.

The Treasury Rate shall be determined by the Company after 4:15 p.m., New York City time (or after such time as yields on U.S. government securities are posted daily by the Board of Governors of the Federal Reserve System), on the third business day preceding the redemption date based upon the yield or yields for the most recent day that appear after such time on such day in the most recent statistical release published by the Board of Governors of the Federal Reserve System designated as “Selected Interest Rates (Daily) - H.15” (or any successor designation or publication) (“H.15”) under the caption “U.S. government securities–Treasury constant maturities–Nominal” (or any successor caption or heading) (“H.15 TCM”). In determining the Treasury Rate, the Company shall select, as applicable: (1) the yield for the Treasury constant

maturity on H.15 exactly equal to the period from the redemption date to the Par Call Date (the “Remaining Life”); or (2) if there is no such Treasury constant maturity on H.15 exactly equal to the Remaining Life, the two yields – one yield corresponding to the Treasury constant maturity on H.15 immediately shorter than and one yield corresponding to the Treasury constant maturity on H.15 immediately longer than the Remaining Life – and shall interpolate to the Par Call Date on a straight-line basis (using the actual number of days) using such yields and rounding the result to three decimal places; or (3) if there is no such Treasury constant maturity on H.15 shorter than or longer than the Remaining Life, the yield for the single Treasury constant maturity on H.15 closest to the Remaining Life. For purposes of this paragraph, the applicable Treasury constant maturity or maturities on H.15 shall be deemed to have a maturity date equal to the relevant number of months or years, as applicable, of such Treasury constant maturity from the redemption date.

If on the third business day preceding the redemption date H.15 TCM is no longer published, the Company shall calculate the Treasury Rate based on the rate per annum equal to the semi-annual equivalent yield to maturity at 11:00 a.m., New York City time, on the second business day preceding such redemption date of the United States Treasury security maturing on, or with a maturity that is closest to, the Par Call Date, as applicable. If there is no United States Treasury security maturing on the Par Call Date but there are two or more United States Treasury securities with a maturity date equally distant from the Par Call Date, one with a maturity date preceding the Par Call Date and one with a maturity date following the Par Call Date, the Company shall select the United States Treasury security with a maturity date preceding the Par Call Date. If there are two or more United States Treasury securities maturing on the Par Call Date or two or more United States Treasury securities meeting the criteria of the preceding sentence, the Company shall select from among these two or more United States Treasury securities the United States Treasury security that is trading closest to par based upon the average of the bid and asked prices for such United States Treasury securities at 11:00 a.m., New York City time. In determining the Treasury Rate in accordance with the terms of this paragraph, the semi-annual yield to maturity of the applicable United States Treasury security shall be based upon the average of the bid and asked prices (expressed as a percentage of the principal amount) at 11:00 a.m., New York City time, of such United States Treasury security, and rounded to three decimal places.

The Company’s actions and determinations in determining the redemption price shall be conclusive and binding for all purposes, absent manifest error.

In the case of a partial redemption, selection of Definitive Notes for redemption will be made by lot by the Trustee. No Notes of a principal amount of \$2,000 or less will be redeemed in part. If any Notes are to be redeemed in part only, the notice of redemption that relates to such Notes will state the portion of the principal amount of the Notes to be redeemed. A new Definitive Note in a principal amount equal to the unredeemed portion of a Definitive Note will be issued in the name of the Holder of such Definitive Note upon surrender for cancellation of the original Definitive Note. For so long as the Notes are held by DTC (or another Depository), the redemption of the Notes shall be done in accordance with the policies and procedures of the Depository.

Unless the Company defaults in payment of the redemption price, on and after the redemption date interest will cease to accrue on the Notes or portions thereof called for redemption.

Any optional redemption may be conditioned upon the consummation of one or more other transactions, including any debt or equity issuance by the Company or any of its parent companies or Subsidiaries. The Trustee shall not have responsibility for calculating any redemption price.

Redemption of the Notes of one series may be made without the redemption of the Notes of any other series.

Section 5. Effect of Supplemental Indenture. This Supplemental Indenture is a supplemental indenture within the meaning of the Base Indenture. The provisions of this Supplemental Indenture are intended to supplement those of the Base Indenture as in effect immediately prior to the execution and delivery hereof. The Base Indenture shall remain in full force and effect except to the extent that the provisions of the Base Indenture are expressly modified by the terms of this Supplemental Indenture. The Base Indenture, as supplemented and amended by this Supplemental Indenture, is in all respects ratified, confirmed and approved and, with respect to the Notes, the Base Indenture, as supplemented and amended by this Supplemental Indenture, shall be read, taken and construed as one and the same instrument.

Notwithstanding any other provision of the Base Indenture or this Supplemental Indenture to the contrary, to the extent any provisions of this Supplemental Indenture or any Note issued hereunder shall conflict with any provision of the Base Indenture, the provisions of this Supplemental Indenture (including the terms and conditions of the Notes set forth in Section 2 hereof) shall govern.

Section 6. Governing Law. This Supplemental Indenture shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflict of laws principles thereunder, except to the extent that the law of any other jurisdiction shall be mandatorily applicable.

Section 7. Waiver of Jury Trial. EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS SUPPLEMENTAL INDENTURE OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 8. Trustee's Disclaimer. The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of the Indenture or the Notes, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Supplemental Indenture other than its certificate of authentication.

Section 9. Amendments and Supplements. Except as provided below, this Supplemental Indenture and the terms of the Notes shall be modified only as provided in Article VIII of the Base Indenture.

Section 10. Trust Indenture Act Controls. If any provision hereof limits, qualifies or conflicts with the duties imposed by the Trust Indenture Act § 318(c), the imposed duties shall control.

Section 11. Counterpart Originals. The parties may sign any number of copies of this Supplemental Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. Delivery of an executed counterpart of a signature page to this Supplemental Indenture by Electronic Signature, or other electronic transmission (i.e. a “pdf” or “tif”) shall be effective as delivery of a manually executed counterpart thereof. The exchange of copies of this Supplemental Indenture and of signature pages by Electronic Signature, or PDF transmission shall constitute effective execution and delivery of this Supplemental Indenture as to the parties hereto and may be used in lieu of the original Supplemental Indenture and signature pages for all purposes.

Section 12. Notice to Trustee. The Trustee shall have the right to accept and act upon instructions, including funds transfer instructions (“Instructions”) given pursuant to this Supplemental Indenture and the Notes and delivered using Electronic Means; *provided, however*, that the Company shall provide to the Trustee an incumbency certificate listing officers with the authority to provide such Instructions (“Authorized Officers”) and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Company whenever a person is to be added or deleted from the listing. If the Company elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee’s understanding of such Instructions shall be deemed controlling. The Company understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Company shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and that the Company and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Company. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Company agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Company; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

Notwithstanding any other provision of this Supplemental Indenture or the Notes, where this Supplemental Indenture or the Notes provide for notice of any event or any other communication (including any notice of redemption or repurchase) to a holder of a Registered

Global Security (whether by mail or otherwise), such notice shall be sufficiently given if given to the Depository (or its designee) pursuant to the standing instructions from the Depository or its designee, including by electronic mail in accordance with accepted practices at the Depository.

The last paragraph of Section 10.4 of the Base Indenture shall not apply with respect to this Supplemental Indenture and the Notes, and any reference in the Base Indenture to such Section shall, for purposes of this Supplemental Indenture and the Notes, be deemed to refer instead to Section 10.4 of the Base Indenture as amended by this Section 12.

[The remainder of this page is left blank intentionally]

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed as of the day and year first above written.

EXELON CORPORATION

4.950% NOTES DUE 2036

1. **Interest.** Exelon Corporation, a Pennsylvania corporation (the “Company”), promises to pay or cause to be paid interest on the principal amount of this Security at the rate per annum shown above. The Company shall pay interest, payable semi-annually in arrears, on March 15 and September 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day, with the first payment to be made on September 15, 2026. Interest on the Securities shall accrue from and include the date that the Securities are issued to and excluding the date of maturity or redemption. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.

2. **Maturity.** The Securities will mature on March 15, 2036 (the “Maturity Date”).

3. **Method of Payment.** Except as provided in the Indenture (as defined below), the Company shall pay interest on the Securities on the applicable Interest Payment Dates, as set forth on the face of this security, to the persons who are Holders of record of Securities at the close of business on the immediately preceding Regular Record Date, as set forth on the face of this Security. Holders must surrender Securities to a Paying Agent to collect the principal amount. The Company shall pay, in money of the United States that at the time of payment is legal tender for payment of public and private debts, all amounts due in cash with respect to the Securities, which amounts shall be paid by wire transfer of immediately available funds to the account designated by the Depository for the Securities or its nominee.

4. **Paying Agent and Registrar.** Initially, The Bank of New York Mellon Trust Company, N.A. (the “Trustee”), shall act as Paying Agent. The Company initially appoints the Trustee as the Registrar. The Company may change any Paying Agent or Registrar without prior notice to the Holders. The Company or any of its Subsidiaries may act in any such capacity.

5. **Indenture.** The Company issued the Securities under the Indenture, dated as of June 11, 2015 as amended by the First Supplemental Indenture, dated as of June 11, 2015, the Second Supplemental Indenture, dated as of December 2, 2015, the Third Supplemental Indenture, dated as of April 7, 2016, the Fourth Supplemental Indenture, dated as of April 1, 2020, the Fifth Supplemental Indenture, dated as of March 7, 2022, the Sixth Supplemental Indenture, dated as of February 1, 2023, the Seventh Supplemental Indenture, dated as of February 27, 2024, and the Eighth Supplemental Indenture, dated as of February 1, 2025 (the “Base Indenture”), among the Company and the Trustee, as supplemented by the Ninth Supplemental Indenture, dated as of February 1, 2026 (the “Ninth Supplemental Indenture” and, together with the Base Indenture, as supplemented, the “Indenture”), among the Company and the Trustee. The terms of the Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. Code §§ 77aaa-77bbb), as amended and in effect from time to time (the “Trust Indenture Act”). The Securities are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of such terms. To the extent any provision of this Security conflicts with the express provisions of the Indenture, the provisions

of the Indenture shall govern and be controlling. The Indenture does not limit the aggregate principal amount of Securities that may be issued thereunder. Subject to the conditions set forth in the Indenture and without the consent of the Holders, the Company may issue additional Securities of the same series under the Indenture. All Securities of the same series, including any such additional Securities, shall be treated as a single class of securities under the Indenture. Terms used herein without definition and that are defined in the Indenture have the meanings assigned to them in the Indenture.

6. **Redemption.** The Securities may be redeemed at the option of the Company as set forth in Section 4 of the Ninth Supplemental Indenture.

7. **Denominations, Transfer, Exchange.** The Securities are in registered form in minimum denominations of \$2,000 and any integral multiples of \$1,000 in excess thereof. The provisions of Section 2.8 of the Base Indenture (*Registration, Transfer and Exchange*) shall apply to the Securities.

8. **Persons Deemed Owners.** The registered Holder of a Security shall be treated as the owner of such Security for all purposes.

9. **Amendments, Supplements and Waivers.** The Indenture and the Securities may be amended or supplemented as provided in the Indenture.

10. **Defaults and Remedies.** If an Event of Default with respect to the Securities shall occur and be continuing, the principal of all the Securities may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture provides that no Holder of any Security of any series may enforce any remedy with respect to such series under the Indenture unless (a) such Holder previously shall have given to the Trustee written notice of an Event of Default, (b) the Holders of not less than 33% in aggregate principal amount of the Securities of such series then Outstanding (treated as a single class) shall have made written request upon the Trustee to institute such action or proceedings in its own name as Trustee and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, (c) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceeding, and (d) no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 5.9 of the Base Indenture; provided, however, that such provision shall not prevent the Holder hereof from enforcing payment of the principal of or interest on this Security.

11. **Discharge and Defeasance.** The Indenture contains provisions for discharge and for the defeasance of the entire indebtedness of this Security and certain restrictive covenants upon compliance by the Company with certain conditions set forth therein.

12. **Trustee Dealings with the Company.** The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Company or its affiliates, and may otherwise deal with the Company or its affiliates, as if it were not the Trustee.

13. **No Recourse Against Others.** A director, officer, employee, incorporator or stockholder of the Company, as such, shall not have any liability for any obligations of the Company under the Securities or the Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Security waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Securities.

14. **Authentication.** This Security shall not be valid until authenticated by the manual signature or Electronic Signature of the Trustee or an authenticating agent in accordance with the Indenture.

15. **Abbreviations.** Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian) and U/G/M/A (= Uniform Gifts to Minors Act).

16. **CUSIP and ISIN Numbers.** Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company has caused CUSIP and ISIN numbers to be printed on the Securities and the Trustee and the Company may use CUSIP and ISIN numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Securities or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

17. **Governing Law.** This Security and the Indenture shall be governed by and construed in accordance with the laws of the State of New York, without regard to conflict of laws principles thereunder, except to the extent that the law of any other jurisdiction shall be mandatorily applicable.

18. **Waiver of Jury Trial.** EACH OF THE COMPANY, EACH HOLDER, AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS SECURITY, THE INDENTURE OR THE TRANSACTION CONTEMPLATED HEREBY.

THE COMPANY SHALL FURNISH TO ANY HOLDER UPON WRITTEN REQUEST AND WITHOUT CHARGE A COPY OF THE BASE INDENTURE OR ANY RELEVANT SUPPLEMENTAL INDENTURE. REQUESTS MAY BE MADE TO THE REGISTERED OFFICE OF THE COMPANY.

We express no opinion as to the law of any jurisdiction other than the Commonwealth of Pennsylvania, the State of New York and the federal laws of the United States.

We hereby consent to the filing of this letter as Exhibit 5.1 to the Registration Statement, and to the use therein of this firm's name therein under the caption "Legal Matters."
