### **Item 8.01. Other Events**

As previously disclosed, Exelon Corporation (Exelon) and Exelon Generation Company, LLC (Generation) have been working toward an orderly transition out of the ownership of Boston Generating LLC (BG), which owns the companies that own the Mystic 4-7, Mystic 8 and 9 and Fore River generating projects, and an orderly transfer of plant operations and power marketing activities relating to the generating projects. On May 25, 2004, Exelon and Generation completed the sale, transfer and assignment of ownership of BG to a special purpose entity owned by the lenders under BG's \$1.25 billion credit facility. On September 1, 2004, affiliates of Generation completed the transfer of responsibility for plant operations and power marketing activities to the lenders' special purpose entity. These separate transactions were completed pursuant to a settlement agreement reached with BG's lenders on February 23, 2004.
