## Explanation of Responses:

1. Phantom share equivalents acquired through a regular payroll contribution to the Exelon stock fund that is part of a multi-fund, non-qualified deferred compensation plan. The Exelon stock fund is a unitized fund that consists of Exelon common stock and short-term investments. Units of the fund will be settled in cash upon the reporting person's separation from the company for any reason. The balance of phantom share equivalents may fluctuate due to periodic changes in the fund composition.
