## Section 8 – Other Events

### Item 8.01 Other Events.

As previously disclosed, on April 29, 2014, Exelon Corporation, a Pennsylvania corporation (“Exelon”), entered into an Agreement and Plan of Merger (the “Original Merger Agreement”) by and among Exelon, Purple Acquisition Corp., a Delaware corporation and a wholly owned subsidiary of Exelon (“Merger Sub”), and Pepco Holdings, Inc., a Delaware corporation (“PHI”). The Original Merger Agreement was amended and restated by the Amended and Restated Agreement and Plan of Merger, dated as of July 18, 2014, among Exelon, Merger Sub and PHI.

Under the provisions of the Hart-Scott-Rodino Act (HSR Act), Exelon and PHI may not complete their proposed merger until Exelon and PHI have made filings with the United States Department of Justice (DOJ) and the Federal Trade Commission, and the applicable HSR Act waiting period has expired or been terminated. Exelon and PHI initially filed pre-merger notifications under the HSR Act on August 6, 2014. Following informal discussions with the DOJ, on September 5, 2014, Exelon voluntarily withdrew its pre-merger notification filing and refiled it on September 9, 2014. On October 9, 2014 PHI and Exelon each received a request for additional information from the DOJ. The request for additional information had the effect of extending the DOJ review period until 30 days after PHI and Exelon each certified that it had substantially complied with the request.

On November 21, 2014, Exelon and PHI each certified that it had substantially complied with the request. Accordingly, the HSR Act waiting period expired on December 22, 2014, and the HSR Act no longer precludes completion of the merger. Although the DOJ allowed the waiting period under the HSR Act to expire without taking any action with respect to the merger, the DOJ has not advised Exelon or PHI that it has concluded its investigation.

The proposed merger has received approvals from the Virginia State Corporation Commission and the Federal Energy Regulatory Commission. In addition, the transfer of control of certain communications licenses held by certain of PHI’s subsidiaries has been approved by the Federal Communications Commission. The proposed merger remains subject to approval by the public service commissions of the District of Columbia, Delaware, Maryland, and New Jersey. Exelon and PHI continue to expect to complete the merger in the second or third quarter of 2015.
